Comment: The above-described Response and related papers were twice submitted and Auto-Reply Transmissions were returned each time. However, our fax log indicated that the document had jammed at five and six pages respectively. Because it processed on our end, it must be assumed that the jam is occurring on the PTO side. Accordingly, the first six pages of the Response should have been received, and the remaining two pages (pages 5 and 6 of the Response) are transmitted herein. *Please do not process second submitted Credit Card Payment Form.*
